Ek UPAY, a solution

Meeta Chaitanya in Chasing Nirvana | India | TOI

While accusations were hurled excessively, real issues evaded squarely and justice deluded mercilessly...

They will never see a solution, an upay.

The villages of Kumbhari and Rahadi have a different story to tell. Their streets are humming a different tune.

SWOT analysis

- ❑ villager's support & faith on UPAY is the main Strength of UPAY.
- ❑ For different age group student, UPAY has one classroom & minimum number of volunteers are the weaknesses of UPAY.
- ❑ UPAY can increase awareness about literacy rate of rural children to the urban college students.
- ❑ For that, they can organize NGO visit for college students. Also they can arrange NGO poster competition, group discussion on rural & urban area ,concept of self-dependent village so it can help them to understand social &rural issues of india .
